is priceless, finding the right partner makes all the difference."*

TDHI PAYMASTER

The PayMaster Division of TDHI Group

For over 35 years, the DH Group has been offering personalised, secure and discreet PayMaster solutions worldwide.

Dal 2012 il TDHI Group had been offering the services of DH PayMaster. In 2020, TDHI Group founded its own specialised Division, guaranteeing the highest standards of precision, efficiency and reliability in every transaction.

A PayMaster receives commissions and distributes them to the entitled parties, acting as a neutral third party to ensure security, transparency and trust between all parties.

TDHI Division Founded

TDHI PAYMASTER ASSISTANT

Exclusive and modular service for entrepreneurs, consultants and multi-deal intermediaries.

Launched January 2025 — available in Italy from September 2025.

Monthly fee

€ 2.950

(€ 2,250 for accredited IAPs)

WHAT THE SERVICE INCLUDES

Up to 10 PayMaster/Deal consultations or operations per year

Pre-analysis of funds, jurisdiction and taxation

Analysis of buyers, sellers, contracts and assets — 24/7

Priority access to TDHI Project Financing

Technical and banking support for deal structuring

Legal, tax services and full fund administration

 **TDHI PAYMASTER COLLECTION**

Efficient legal and financial structures to collect payments on behalf of clients, without having to establish legal entities abroad.

**Improves profits**

By optimising the collection structure, operating margins are increased.

**Reduces complexity**

Eliminates the need for foreign entities, focus on the core business.

**Asset protection**

Well-designed legal instruments protect capital without avoidance practices.

**Guaranteed compliance**

Solutions designed to meet the new European regulations (KYC/AML).

**Legal privacy**

Professional confidentiality in full compliance with applicable laws.

TDHI PAYMASTER ESCROW

An Escrow account is a secure deposit managed by a trusted third party: funds are held in custody until the transaction is completed and released only upon fulfilment of the contractual conditions.

Total Security

Funds protected in dedicated fiduciary accounts, managed to the highest international standards of compliance and control.

Guaranteed Neutrality

TDHI acts as a neutral third party, without conflicts of interest, for complex high-value operations.

Absolute Confidentiality

Non-disclosure agreements (NDA) before any sharing of sensitive information or confidential documentation.

A unique global network

Thanks to 7 different Paymaster partners, we are the only ones in the world able to operate on any continent with exclusive terms.
